## YOUNG PEOPLE'S PROGRAM SUMMER 2007

Dear Families,

Welcome to the 28<sup>th</sup> something year of DNE Summer Camp! The Young People's Program (YPP) is off to a great start. We are excited to see returning families/friends and are eager to meet new families and friends too!

With our return to Omni Camp once again, we look forward to providing our families with an exciting and well-organized YPP. We have a bunch of new staff as well as a core of returning teachers this year. There will be the usual mix of arts, free play, organized games, swimming, and community building. Please read this packet fully as there have been changes to the YPP this year.

**We require that all families to complete and submit health forms for each child in person. No child will be permitted to attend the YPP without the appropriate completed forms**

**Posted on website you will find some information to read and some forms to print out, then fill out and bring to camp with you to hand in:**

- This welcome letter & schedule
- General YPP Information
- **Medical Release/Insurance form (Print out/ fill out and bring to camp)**
- **Health form (Print out/ fill out and bring to camp)**

The YPP is a multifaceted, fun, and complex element of the DNE community. We strive to provide a safe and interactive learning environment for all our participants (children, teachers, and parents). Please contact me with any pressing questions/concerns that you may have both pre-camp and during the program.

We look forward to seeing you and your children!
