Dance Camp Packing List Suggestions

Valuables and Security:

DNE cannot guarantee the security of personal belongings. While the Lost & Found coordinator does their best to reunite people with their items, DNE takes no responsibility for items left behind. We suggest you label everything you bring, especially any electronics, and don't bring unnecessary valuables. There have been occasional instances of theft at Camp, so think carefully about what you bring and where you keep cash and valuables.

Covid-specific supplies:

- At least 4 rapid antigen Covid tests per person, and at least **two N95 masks**
- A little extra compassion, empathy, and patience
- See the Covid policy at DNE.org for more information.
